Extract

The relationship between biorhythm cycles physical, Intellectual and emotional and sport achievement for tennis player

**Asst. Instructor
Hasnaa Satter Kalf
2004**

The aim of the research is identify the

- Understanding the relationship biorhythm cycles physical, Intellectual and emotional with game.

The procedures of the researchers tackled the subjects and tests.

The results were displayed, analized and discussed. The research concluded:

-The chivment sinfulness by biorhythm cycles physical, Intellectual and emotional. When these cycles big the chivments very good.

The research recommended. It is important that coach should have a biorhythm for players and relationships with achievments and plan properly in training plans for players.
