1- Personal Data:

Name: Badriya Khalfan Issa Al-Hadabi

Nationality: Omani

Date of Birth 15-8-1976

Specialty Area: Testing and measurement in physical activity.

Academic Rank: Associate Professor

Research Interesting Area:

- Assessment of Physical Activity
- Testing and Measurement in Physical Education
- Physical activity and quality of life and Promoting Women Sports.
- Physical activity, sport and disabilities.

2- Academic Qualifications:

- | | |
|------|--|
| 2017 | Executive Diploma in Sport Management- University Saiins Malaysia |
| 2012 | Ph.D. (sport sciences), Essex University, United Kingdom.
Thesis's Title: Assessment of Physical Activity and Motor Ability in Children |
| 2002 | M.A. (physical Education), Jordan University, Amman, Jordan.
Thesis's Title: <i>Construction for Physical Fitness Norms for Female Students in Sultan Qaboos University</i> |
| 1998 | B.A. (physical Education), Sultan Qaboos University, Sultanate of Oman |

3- Work Experience:

2023-current	Assistant Dean for Undergraduate Studies
2022-2023	Sabbatical leave at Marmara University, Turkey
2020- Current	Associate Professor, Department of Physical Education& Sport Sciences
2014 -2020	Head of Physical Education& Sport Sciences dep, College of Education, Sultan Qaboos University, Sultanate of Oman.
2012 – 2020	Assistant Professor, Dept. of Physical Education, College of Education, Sultan Qaboos University, Sultanate of Oman
2002– 2012	Lecturer , Department of Physical Education& Sport Sciences, College of Education, Sultan Qaboos University. Sultanate of Oman.
1998 – 2001	Administrator , Department of Physical Education& Sport Sciences, College of Education, Sultan Qaboos University. Sultanate of Oman.

4- Teaching and Academic Activities:

<u>Teaching (undergraduate / Postgraduate Courses):</u>		
1	PHED6202 Contemporary issues in Health and Physical Activity	MAs
2	PHED3350 Test and Measurement in Physical Educational	B.A.
3	PHED1230 Track and field	B.A.
4	PHED3530 Dancing (ballet, folklore and modern dancing)	B.A
5	PH PHED1000 Physical Fitness: Theory & practice	B.A.
6	PHED 3660 Handball	B.A.
7	PHED2440 Rocket Games	B.A.
8	PHED4260 Physical Education for Disabled	B.A.

5- Administrative appointments in sports institutions:

Member of the Women's Sports Committee of the Omani Olympic Committee	2012-2016
Member of the International Advisory Board of the Regional Special Olympics	2013-2017
Member of the main committee of the Ministry of Sports Affairs Award for Youth Achievements (Our Achievements)	2014-2016
Membership in the International Future Leader Program	2015-2017

Vice President of Special Olympics Oman for Committee Affairs	2015-2017
Member of the main joint committee between Sultan Qaboos University and the Ministry of Sports Affairs	2015-2020
The national member representing the Sultanate in the International Badminton Federation for the Arabian Gulf region	2015-current
Member of the Main Committee for Planning and Follow-up - Oman Olympic Committee	2016-2019
Member of the Women's Sports Committee of the Arab Federation for University Sports	2016-2020
The national member representing the Sultanate in the International Federation for Physical Education (FIEP).	2017-current
Chairman of the Omani Badminton Committee (Badminton)	2019-2023
Member of the main committee for programs for youth preparation centers - Ministry of Sports Affairs	2019-current
Member of the main committee of the Omani Olympic Champion Project - Oman Olympic Committee	2019-current
Member of the Development Committee for Youth Preparation Centers - Ministry of Sports Affairs	2019-current
Vice President of the Arab Badminton Federation	2021-2025
Member of the High Performance Committee - Oman Olympic Committee	2022-current
Member of the Technical Committee for the Olympic Classification Project - Oman Olympic Committee	2022-current
Chairman of the People with disabilities Committee of the Arab Badminton Federation	2023-current

6- Participation in Conferences and Symposia /Research published in peer-reviewed journals/

6-1- Participation in Conferences and Symposia:

Participated and attended several International, Regional, and Local conferences relevant to Physical Education and sport sciences among which:

1. **Al-Hadabi , B.** The International Conference on the SASES annual Conference, "Assessment of Physical Activity in Children". Chichester, West Sussex. UK, May 22- 23, 2007
2. **Al-Hadabi , B.** Angus, C and Beneke, R. "Accelerometry In Children Is Valid Only Within Comparable Modes Of Exercise". The International Conference on the 55th Annual Meeting of the American College of Sports in Indianapolis Indianapolis, USA. May 28 - 31, 2008.

3. **Al-Hadabi , B.** The International Conference on The International University Sports Federation, and the Organizing Committee of the 2011 FISU Conference “The relationship between lifestyle pattern and body composition of Sultan Qaboos University students”. Shenzhen University, Shenzhen, China. August 13-16, 2011
4. **Al-Hadabi , B.** Symposium on “Second Women Sport Symposium Prospects GCC Women's Sport. Ministry of Sport Affairs & Oman Olympic Committee SQU, MCT, Oman, 2012.
5. **Al-Hadabi , B.** The 4th International Conference on Sport and Exercise Science “Defining Accelerometer Cut-Points for 9-11 yrs. Children Based on Free-lifestyle”. Bangkok, Thailand, March 26-29, 2013.
6. **Al-Hadabi , B.** The International Conference on the 60th Annual Meeting and 4th World Congress on Exercise is Medicine of the American College of Sports Medicine, “Can Physical Activity Levels in Young Children be predicted by Motor Ability and Anthropometric Measures? , Indiana, USA, May 28 - June 1, 2013.
7. Zayed, K., **Al-Hadabi , B.**, and Al- Tauqi, M (2013). Physical Education Teachers' Job Satisfaction and Attitudes towards Teaching. Paper presented at the “13th European Congress of Psychology, Stockholm, Sweden, 9 – 12th July 2013.
8. **Al-Hadabi , B.**Emerging Host Cities conference ‘Effective strategies for winning and hosting major events”, Dubai, UAE, 4-5 December, 2013
9. **Al-Hadabi , B.** The 1st National Conference on Physical Activity & Health. “Can Accelerometer be A Valid Method to Measure Children’s Physical Activity?” Qatar Orthopedic &. Sports Medicine Hospital, Aspetar, 3 -4 February 2014.
10. **Al-Hadabi , B.**The International Conference on the 61th Annual Meeting and 4th World Congress on Exercise is Medicine of the American College of Sports Medicine, The Longitudinal Impact of Motor Ability and Anthropocentric Measures on Physical Activity Levels in Children, Orlando, UAS, May 27 - June 1, 2014.
- 11- **Al-Hadabi , B.** Accelerometer validity in measuring children Physical Activity Level, The 1st International Conference in Sport Science and Technology, Singapore, 11-12 December 2014.
- 12 **Al-Hadabi , B.** The 1st Club and Society Symposium, The Role of the club's in community service Ministry of Sports Affairs, Oman, Muscat, 5th November 2014.
- 13- **Al-Hadabi , B.** The 1st Club and Society Symposium, The Role of the club's in community service, Ministry of Sports Affairs, Oman, Nezwa , 11th November 2014.
- 14- Shatin, M. El Shourbagi, S. **Al-Hadabi , B.** The importance of using educational technology in motor skills development for deaf Omani children: from the viewpoint of specialists , Jordan , 2015.
- 15- El Shourbagi, S. Shatin, M. **Al-Hadabi, B** and Al-Saadi, K. Effect of Exercise Program Supported By Educational Technology (Multimedia Technology) On Attention, Motor Skills, and Performance

Level for Tumbling Skills In Omani Children With Hearing Disabilities, World Conference on Educational Media and Technology, Montreal ; Quebec, Canada, June 22-25, 2015.

16- **Al-Hadabi, B.** Compassion Study Between Pedometer And Accelerometer Measures Of Free-Living Physical Activity In Children, the 4th International Conference of Physical Education and Sports Science (ICPESS 2015), Jakarta, Indonesia, 20-22 May 2015.

17- **Al-Hadabi, B.** The importance of physical activity and its current measurement methods, The Gulf week Symposium for health promotion, Ministry of Health, Muscat, 28 May 2015.

18- **Al-Hadabi, B.** Assessing Physical Activity Among Children with Accelerometer Using Different Placements, APCESS (Asia, Pacific conference in Exercise Sciences and Sports APCESS- 2015) Indian, New Delhi, October 2015

19- Ng Yew, C. Govindasamy, B. Visvasuresh, G, Tho, **Al-Hadabi, B.** Samuel, E, Jolene, Z. Effects of AquaTitan Bracelet on Quadriceps Muscles Recovery after Fatiguing Muscular Strength and Endurance Exercise. The 2016 Annual Meeting, World Congress on Exercise is Medicine®, and World Congress on the Basic Science of Energy Balance of the American College of Sports Medicine, Boston, Massachusetts, May 31-June 4, 2016.

20- **Al-Hadabi, B.** Assessing Physical Activity in Children Using Objective Methods. 1st GCC– ASPETAR Sports Medicine Conference, ASPIRE Zone, Doha, Qatar, 23rd & 24th April 2016.

21- **Al-Hadabi, B.** (2017). Sedentary behavior and physical activity classification using accelerometer cut-points in Children. The 12th FIEP European congress – Luxemboug City, 13-15 September, 2017.

22- Farouk, A. & **Hadabi, B.** (2017). Evaluation of Sports Activities in The Staff Club at Sultan Qaboos University in Light of the European Model of Excellence. In: International Scientific Conference: The Reality of Arab Sport between Practice and Competition, Kuwait, 29-30 October 2017.

23- **Hadabi, B.** (2017). The Role of Sport Education in the Sport Industry in Arab Countries. International Scientific Conference: The Reality of Arab Sport between Practice and Competition, Kuwait, 29-30 October 2017.

24- **Hadabi, B. Zayed, K.** Investigating The Lifestyle, Physical Activity, Health Related Habits, and Sedentary Behaviors of Sultan Qaboos University students. 13th FIEP European Congress and 29th World Congress, Turkey, 26-29 September, 2017.

25- Al-Jadidi, K. **Hadabi, B.** A Comparative Study of the Kinetic Differences Between High and Lower Levels of Gymnastics on The Frontal Somersault on Vaulting Table. Paper presented at the 14th FIEP European Congress was held together with 30th FIEP World Congress and 2nd FIEP Catalonia Congress” Sport, Physical Education and Performing Art as a Tool of Social Transformation, Barcelona, Catalonia, Spain, July, 2019.

26- Ruqaya Al-Habsi, **Hadabi, B**, and Muhammad Lashin. (November 2017). Problems of caring for mathematically proficient students in schools in the Sultanate of Oman for grades 7-11: A proposed scenario. Scientific paper presented at the Fourth International Conference of the College of Education, "Academic Accreditation: Ways to Sustain Quality in Education," Muscat, Oman.

27- Abu Bakr Al-Jahouri, **Hadabi, B**, Nabil Qamada, and Radwan Al-Haj Sassi. (October, 2018). Comparing the effect of two types of stretching during the warm-up on the performance of repetitions of shuttle sprinting and jumping among female basketball players. Scientific paper presented at the Fifth International Conference of the College of Education "Sports and Sustainable Development for the Individual and Society", Muscat, Oman.

28- Intisar Al-Toubi, **Hadabi, B**, Abu Bakr Al-Jahouri, and Radwan Al-Haj Sassi. (October, 2018). The effect of habituation classes on the stability of some muscle ability tests among people with intellectual disabilities. Scientific paper presented at the Fifth International Conference of the College of Education "Sports and Sustainable Development for the Individual and Society", Muscat, Oman.

29- Dalal Muhammad Al-Amriya, Kashif Zayed Nayef, and **Hadabi, B**. (October, 2018). The effect of a proposed recreational sports program on the general psychological adjustment of juvenile offenders in the Sultanate of Oman. Scientific paper presented at the Fifth International Conference of the College of Education "Sports and Sustainable Development for the Individual and Society", Muscat, Oman.

30- Salem Al-Amiri, Ahmed Abdel Latif, **Hadabi, B**, Radwan Al-Haj Sassi, and Nabil Qamada. (October, 2018). Study of the validity and reliability of a proposed test to measure maximum aerobic speed among junior swimmers in the Sultanate of Oman. Scientific paper presented at the Fifth International Conference of the College of Education "Sports and Sustainable Development for the Individual and Society", Muscat, Oman.

31- Mustafa Zayan, **Hadabi, B**, and Ahmed Farouk. (October, 2018). A proposed plan to market sports activities related to Egypt and the Sultanate of Oman. Scientific paper presented at the Fifth International Conference of the College of Education "Sports and Sustainable Development for the Individual and Society", Muscat, Oman.

32- Nabil Qamada, Ghosn Al-Qassabi, and **Hadabi, B**. (October, 2018). The effect of the number of touches of the ball on the physical, physiological and skill responses during mini-games among junior football players. Scientific paper presented at the Fifth International Conference of the College of Education "Sports and Sustainable Development for the Individual and Society", Muscat, Oman.

33- Nasser Al-Abri, Badia Ali Sharif, **Hadabi, B**, and Radwan Al-Haj Sassi. (October, 2018). The relationship of repetition of sprinting to the ability of the muscles of the lower extremities among soccer players of different age groups. Scientific paper presented at the Fifth International Conference of the

College of Education “Sports and Sustainable Development for the Individual and Society”, Muscat, Oman

34- Badia Sharif, **Hadabi, B**, and Mahfouda Al-Kitani (March 2019). Social demographics and their relationship to practicing sporting activities for Arab women Reasonable in light of the dimensions of practice and competition. A scientific paper presented to the Arab Women’s Sports Conference: Challenges and Opportunities, Ministry of Youth and Sports, Egypt Raya, Egyptian Society of Mathematical Sociology, Cairo, Arab Republic of Egypt.

35- **Hadabi, B**. (August, 2019). Sports culture and sustainable development. Scientific paper presented at the Sports Media Forum, Arab Federation for Culture and Sports, Muscat, Oman.

36- Amin Jaafar and **Hadabi, B**, (June, 2019). The role of intellectual capital in developing services provided to people with special needs in care homes. Scientific paper presented at the Khorfakkan International Scientific Conference for People with Disabilities and Modified Physical Education: Sports for People with Disabilities from Containing Organization for Optimal Performance (IFAPA), United Arab Emirates.

37- **Hadabi, B**, (August 2019). Ways to develop women's sports in Oman and the Arabian Gulf. Paper presented at the Second International Conference on Sports and Sustainable Development, The Hashemite University, Zarqa, The Hashemite Kingdom of Jordan.

38- **Hadabi, B**. Sports and empowering people of determination: Symposium on the role of sport and society in achieving inclusive development, leadership development centers and the UAE Special Olympics, United Arab Emirates, 30 September, 2020

39- **Hadabi, B**. Physical activity, selection and sustainability symposium, the Arab University Sports Federation in cooperation with the Palestinian University Sports Federation, 1ST April, 2021.

40- **Hadabi, B**. Physical activity in children benefit and current methods of measurements. Sport for All Summit & 4th International Conference on Sport for All, Ankara, Turkey, 21&23 May, 2021.

41- **Hadabi, B**. The effect of short tasks strategy on reducing attention deficit and learning the skill of shooting in handball for female students, The 1st international scientific conference for sports psychology, Alsafoh University, Iraq. 26-28 September 2022.

42- Mkaouer, S. El Ashkar, H. **Hadabi, B**. Mkaouer, B. Analysis of postural balance between two aquatic sports using vertical vs horizontal body position. The 4th International Congress of Athletic Performance & Health in Sports / ICAPHS. Istanbul. Turkey. 20-23 Oct 2022.

43- Hadabi, B. Objective exercises and their effect on the rotational movement of the body around, The longitudinal axis of my crawl swim on the stomach and back. The 3rd International Scientific Conference on Sport and Health Sciences, Motta University, Jordan, 1-3 November 2022

44- Alshorman, A. Abu eid, F. ALharbi , M. Hadabi, B. Gamosh, N. The social view of the study of female students in colleges, departments and institutes of education Physical education and sports sciences in the Arab world from their point of view. A comparative study between: Jordan, Saudi Arabia, and the Sultanate. Oman, and Tunisia. The 3rd International Scientific Conference on Sport and Health Sciences, Motta University, Jordan, 1-3 November 2022

45- Hadabi, B. Physical activity and healthy lifestyle for children and adolescents. The 1st International Scientific Conference on Nutrition and Physical Activity. Kuwait. 14-15 November 2022.

46- Hadabi, B. Estimation of Physical Activity and Nutritional Habits of Omani Adolescents in Muscat Governorate. The 20 International Conference on Sport for All, Ankara, Turkey, 28 November & 1 December, 2022.

6-2- Financed and Supported Research & Projects:

S	Project Description	Granting Body	Role	Budget
1	The relationship between lifestyle Pattern and body composition of Sultan Qaboos University students	SQU Deanship of Higher Studies and Scientific Research IG/EDU/PHED/12/02	IP	OR 6.050
2	Physical Fitness Standards of Grade 7-12 Students in Muscat Governorate	SQU Deanship of Higher Studies and Scientific Research IG/EDU/PHED/12/01	A research team member	OR 10.000
3	The reality of programs and services provided to people with intellectual disabilities and Special Olympics athletes and proposals for their development in the Sultanate of Oman: a survey study	Ministry of Social development, Oman.(2013)	PI	OR 10,000
4	Assessment of Life Style: Physical activity, Nutrition Status, Sleep Duration, and BMI Among Schools' Adolescents in Oman (14-18)	HM Research Grand SR/EDU/PHED/13/01	A research team member	OR 45,000
5	Effect Of Exercise Program Supported By Educational Technology (Multimedia Technology) On Attention, Motor Skills, And Performance Level For Tumbling Skills In Omani Children With Hearing Disabilities	SQU Deanship of Higher Studies and Scientific Research IG/EDU/PHED/14/01	A research team member	OR 5,000
6	Movement Difficulties and reading disorders among children in Basic Education: New insights towards overall quality of education in the Sultanate of Oman"	SQU Deanship of Higher Studies and Scientific Research IG/EDU/CUTM/16/01)	A research team member	OR 6.800

7	Relationship between physical fitness, motor abilities, executive functions and mental rotation in childhood (7-9 years).	SQU Deanship of Higher Studies and Scientific Research IG/EDU/PHED/17	A research team member	OR 4.975
8	A proposed project to select and direct young people towards practicing national sports in the Muscat Governorate in the Sultanate of Oman in light of their physical characteristics and physical abilities.	SQU Deanship of Higher Studies and Scientific Research IG/EDU/PHED/17	A research team member	OR 8.270
9	The effect of a proposed motor program on developing some basic motor skills among mentally disabled children who can be trained in the Sultanate of Oman.	QU Deanship of Higher Studies and Scientific Research IG/EDU/PHED/17	A research team member	OR 5.099
10	The effectiveness of a Suggested Training Program by Using Kids Athletics Events for Developing Physical and Perceptual Skills Related to Health In Oman and Qatar with Children from 7-9Years -Old	SQU Deanship of Higher Studies and Scientific Research SQU with Qatar University 2020	A research team member	OR 40,000
11	The effect of cooperative games on the basic physical abilities of children with intellectual disabilities who are able to learn in the Sultanate of Oman	SQU Deanship of Higher Studies and Scientific Research IG/EDU/CUTM/2020/01)	A research team member	OR 6,500
12	Physical activity level and its relationship to anthropometric measurements and motor abilities In Omani children aged (10-14) years.	SQU Deanship of Higher Studies and Scientific Research IG/EDU/CUTM/2020/02)	PI	OR 6,000
13	The effect of using a kinetic learning bag on improving the physical abilities and level of sensory-motor perception children with intellectual disability	SQU Deanship of Higher Studies and Scientific Research IG/EDU/CUTM/2021/04)	PI	OR 5,000
